

125 MM ESCALATOR CASTER

KEEPING THE WORLD ROLLING FOR OVER 35 YEARS

P&H INTRODUCES THE HI-TECH 125MM ESCALATOR CASTER

THIS CASTER HAS A STATE OF THE ART DESIGN AT A COMPETITIVE PRICE

When pushing the trolley onto the escalator, the side polyurethane wheel will drop into the groove of the belt. This drop movement will immediately and automatically lock the caster, and the trolley will ride the escalator.

* Shown as open hole - other mounting fittings are available to meet your special requirements
